Prescreened List of External Organizations

In accordance with Title IV, Part B, 21st Century Community Learning Center (21stCCLC) of the Every Student Succeeds Act (ESSA), the Maryland State Department of Education (MSDE) is required to provide a list of prescreened external organizations, as described under section 4203(a)(11). By collecting, screening, and publishing a list of external non-profit organizations that have expressed interest, the potential for partnerships with current and future 21st CCLC programs is more easily realized.

The following organizations have been prescreened to be included on the Maryland 21st CCLC List of Prescreened Organizations:

1. [Boys and Girls Club of Greater Washington](#)
2. [Futuristic, Inc.](#)
3. [Leaders of Tomorrow Youth Center](#)
4. [Mentors of Minorities in Education](#)
5. [Salisbury University Horizons Summer Learning Programs](#)
6. [San Mar Children's Home Bester Community Center](#)
7. [U.S. Dream Academy](#)
8. [The Y in Central Maryland](#)

Inclusion on the Maryland 21st CCLC External Organization list will not constitute the MSDE endorsement or approval of the quality of programs and services offered by the external organization.

No funding is directly associated with this profile process. This list and solicitation will not result in a contract with the MSDE.

The MSDE reserves the right to remove an external organization from the list for failure of the organization to meet the conditions specified within the profile. The MSDE does not guarantee any amount of work given to any provider listed on the external organization list.

If you have any questions concerning the external organization profile, please contact Mr. Reginald Burke by phone at (410) 767-0313 or by email at reginald.burke@maryland.gov. Mr. Burke will be pleased to assist you.
