

Title II, Part A: Preparing, Training and Recruiting High Quality Teachers, Principals and Other School Leaders

The amount an LEA must reserve to provide equitable services for private school teachers and other educational personnel for Title II, Part A services is based on the LEA's total Title II, Part A allocation, less administrative costs. The LEA determines the amount of funds available for Title II, Part A equitable services for private school teachers and other educational personnel by calculating, on a per-pupil basis, the amount available for all public and private school students enrolled in participating private elementary and secondary schools in areas served by the LEA (regardless of a student's residency).

Example of Formula to Determine Amount for Title II, Part A Equitable Expenditures	
A. Number of Students	
A1: LEA Enrollment	900
A2: Participating Private School Enrollment	100
A3: Total Enrollment = A1 + A2	1,000
B. Title II, Part A Allocation	
B1: Total LEA Allocation	\$100,000
B2: Administrative Costs (for public and private school programs)	\$50,000
B3: LEA Allocation Minus Admin Costs = B1 - B2	\$50,000
C. Per Pupil Rate	
C1: B3 divided by A3	\$50
D. Equitable Services	
Amount LEA must reserve for equitable services for private school teachers and other educational personnel = A2 x C1	\$5,000
