Worksheet 1b
The Life Cycle of a Butterfly
Directions: Students draw a line from the name of the stage to the corresponding picture.

Egg    Chrysalis    Caterpillar    Butterfly

Students cut out pictures of the stages of the life cycle of the butterfly and paste them in order.
5 Green and Speckled Frogs

Five green and speckled frogs
Sat on a speckled log
Eating some most delicious bugs
Yum! Yum!

One jumped into the pool
Where it was nice and cool
Now there are four green speckled frogs.
Glub! Glub!

Four green and speckled frogs...
Three green and speckled frogs...
Two green and speckled frogs...
One green and speckled frog...
Now there are no more speckled frogs!
Glub! Glub! Glub!

Teacher Note: The poem is about 5 Green and Speckled Frogs. Teacher can choose to use 3 to 5 frogs depending on the class.
