Introduction

This report presents information about the racial and gender breakdown of central office and school-level professional personnel in Maryland local education agencies (LEAs) as of October 15, 2000. These data were submitted by LEAs on the Annual Staff Report which includes all employees except those paid on an hourly basis, daily substitutes, and special contractual employees.

Staff members are classified on the basis of their work assignments. These classifications correspond with position codes listed in the *Staff Reporting System – Specifications and Procedures Manual, Maryland Public Schools, July 2000*. In creating this report, persons with split assignments were counted once in their primary assignment.
