Introduction

This report contains data on the number of incidents in each local school system and school during the 2018-19 school year. The data have been disaggregated by gender and race. The incident counts for students with disabilities are also reported. Student incident data are available for reporting by Out-of-School Suspensions and Expulsions, In-School Suspensions, and Combined In-School and Out-of-School Suspensions and Expulsions.

If there were no incidents for a particular characteristic within a Local School System (LSS) or school, then the characteristic is omitted from this report for the LSS or school. If there were no incidents reported for a school, then the school is excluded from this report.
