

## FSA ID

The FSA ID removes the need for the personal identification number (PIN) and the use of personal identifiers such as name, birth date, and Social Security number. Users do not need to do anything to prepare for it; when they first log on, they will be asked to create a username and password. If they already have a PIN, they will have the option to link it to their new FSA ID, which will allow them to immediately use the FSA ID rather than wait 1–3 days while their identifying information is confirmed. To obtain your FSA ID, log on to FAFSA website at <https://fsaid.ed.gov>.
