Meeting Minutes

Subcommittee Members in Attendance: Mr. Gavin Patashnick, Ms. Julie Stevens

The meeting of the Operations Subcommittee was convened at 11:25 a.m.

- The subcommittee members discussed the current operational challenges faced by the Juvenile Services Education System (JSES) and the Department of Juvenile Services (DJS).
- The subcommittee members identified the following as chief barriers to peak efficiency: funding, staff, and revolving student populations.
- The subcommittee determined that further research would be needed before an in-depth analysis of current obstacles could be completed.
- The subcommittee members established a goal to have further details from its respective operations by mid-April.
- The subcommittee members determined the subcommittee would seek guidance from the full work group during its next meeting on March 25, 2019, on the timeline of the subcommittee to submit a full report of its findings.

The meeting of the Operations Subcommittee was concluded at 11:35 a.m. to allow for the reconvening of the full HB 1607 workgroup.
