

**What do you think about  
Maryland's home visiting programs?  
We want to hear from you!**

**Are you an expectant mother, or a parent of a young child ?**

**Are you a Home Visitor?**

**Are you a member of the community who cares about the health  
and well-being of children in Maryland?**

We are conducting 15 minute phone interviews and one hour virtual focus groups to better understand the needs of communities in Maryland regarding home visiting.

Parents and community members who participate in the focus groups or interviews will receive a **\$100** Target gift card. Home visitors will be offered a gift card to a book store. Volunteers will be invited to participate on a first come/first serve basis.
