TO: Members of the State Board of Education

FROM: Karen B. Salmon, Ph.D. *KBS/clw*

DATE: September 27, 2016

SUBJECT: Partnership for Assessment of Readiness for College and Careers (PARCC)
Assessment Results

PURPOSE:

To provide state and district level PARCC assessment results for the 2015-2016 administration.

BACKGROUND:

PARCC assessments were administered for the second year during 2015-2016. These assessments were the state assessments for English Language Arts and Mathematics in grades 3-8. High school assessments offered included Algebra I, Algebra II, English 9, 10, and 11. These score results are a new baseline from which we will move forward. The PARCC assessments set new goals for our students; ones that are aligned to the Maryland College and Career Ready Standards. The new Maryland assessments are a continuation of a long history in the evolution of statewide assessments to meet higher standards that promote college and career readiness for all students.

The 2015-2016 PARCC State and District Assessment Results

Statewide and school-level PARCC results are provided in the PowerPoint and additional Board materials. They provide a summary of the data for each assessment at the state and district level.

While no single test shows a complete picture of achievement, annual assessments provide important information about student strengths and areas for improvement, especially when combined with student grades and teacher reports. Parents and teachers can use this information to make sure students get the help they need to succeed.

PARCC assessment local district data will be reported on the Maryland Report Card website at 12:00 p.m. on September 27, 2016. PARCC state level results were published on the Maryland Report Card website on August 22, 2016.

ACTION:

For information only. No action required.

Partnership for Assessment of Readiness for College and Careers (PARCC) Assessment 2015-2016

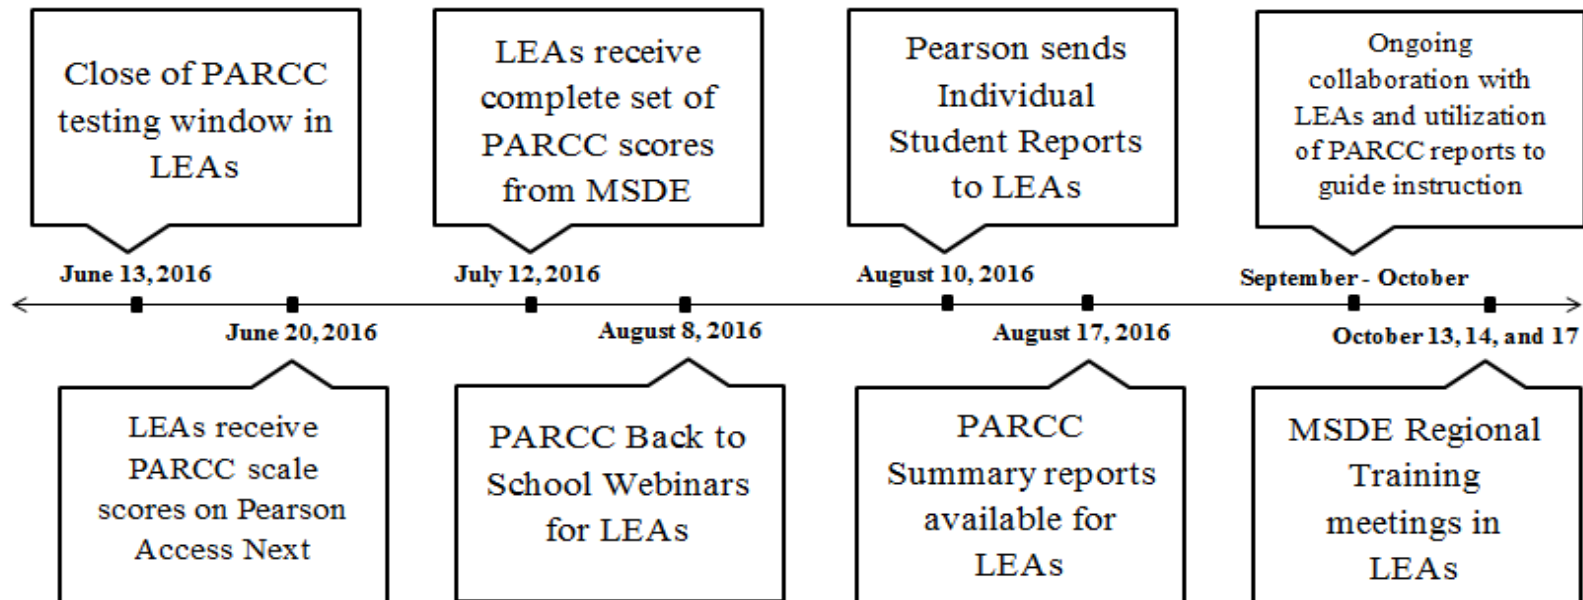

**Maryland State Board of Education
September 27, 2016**

Objectives

- Timeline
- PARCC Results
- Resources

2016 PARCC Assessment Timeline

PARCC Reporting Timeline

2016 PARCC Administration

- PARCC assessments were given during ONE window at estimated to be 80% course-completion point in the school year (April – June).
- High School End of Course PARCC Assessments were also administered in the fall to accommodate the block schedule. (Nov – Jan).
- Maryland students are considered a PARCC participant if they meet PARCC participation criteria for “attemptedness” defined as a student that has *attempted all units, less one*.
- Reporting data based on Performance Levels 1-5 for all tests across subjects and grades.
