If you have questions or need additional information, please contact Donna Gunning, Executive Director, Office of Policy and Fiscal Analysis, at 410-767-0757 or donna.gunning@maryland.gov.

Total Award Amount includes adjustments for special education students, high school students, and reductions in cases where the BOOST aid plus non-BOOST aid exceeded tuition. Schools may not use BOOST funds as a substitute for other financial aid.

Notes:

Teachers are not required to be certified to teach at nonpublic schools. Survey responses were received from 176 schools.

The BOOST Program, authorized in budget bill language, requires participating schools to administer certain assessments in the same manner as those issued to public school students. As a result of the COVID-19 Pandemic and the subsequent closure of schools, the United States Department of Education allowed States to apply for a waiver from the assessment requirement for public school students. Maryland applied for and received the waiver, but it did not provide relief from the BOOST program requirement for nonpublic schools.

Upon consultation with the Attorney General's Office and staff at the Department of Legislative Services as to the legislative intent behind the yearly assessment requirement, nonpublic schools that had not administered all required National Blue Ribbon assessments prior to the closing of school buildings on March 13, 2020, due to the COVID-19 pandemic, will still be eligible to apply to participate in the BOOST program for the 20/21 school year, assuming all other program requirements are met.
