Dear Governor Hogan, President Ferguson, and Speaker Jones:

Re: Report required by Education Article § 5-111.1 (MSAR #11319)

Pursuant to Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local school system (LSS) is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for Cecil County Public Schools is attached for your review. Should you have questions or need additional information, please contact, Dr. Jennifer Hammer, Executive Director for Elementary School Education, by phone at 410-996-5056 or email jhammer@ccps.org.

Sincerely,

Jeffrey A. Lawson, Ed.D.

Specialized Intervention Services School System Budget

Please identify expenditures related to the provision of specialized intervention services to students in grades K-3 who are not currently identified as needing special education services and who are included in your student count. Include Title I funded supports and interventions.

Guidance:

- Include each item listed below. If any item does not pertain to your school system, please insert N/A.
- Complete Charts I, II, and III

Chart I Screenings Budget

Screenings-include the name of screening tools used and the number of students screened.

Evaluations-include the name of the evaluation tools used and number of students evaluated.

Materials-Include the name of the materials used and the number of students using the materials.

Chart II Professional Development Budget

Include the title of the professional development and number of people attending each event. Included costs should cover outside speakers/consultants, materials, and other costs.

No costs should be included for local school staff if the PD is provided as part of the school day. For example, if teachers are being paid for their regular workday and attend a professional development, no costs should be included for stipends. If Central Office staff present as part of a workday for which they are being paid, no costs should be included for their presentation since this is part of the regular school day.

Chart III Staffing Budget

Include **both salary and benefits** in staffing costs. Include the percent of time staff used for specialized intervention services. For example, if your behavior specialist worked with a student for 30 minutes three times a week for a total of 10 weeks, you should report the salary and benefits for the percent of the behavior specialist's time spent on specialized intervention services.

Chart 1 Screenings Budget

Screenings-include the name of screening tools used and the number of students screened.
