Re: Report required by Education Article § 5-111.1 (MSAR #11332)

Dear Governor Hogan, President Ferguson, and Speaker Jones:

Pursuant to Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local school system (LSS) is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for Talbot County Public Schools is attached for your review. Should you have questions or need additional information, please contact Darlene Spurrier, Director of Student Services, by phone at 410-822-0330 or email at dspurrier@talbotschools.org

Sincerely

Sharon M. Pepukayi, Ed.D.

# Specialized Intervention Services Data Collection Report FY 2021-2022 Updated 2020

#### Section § 5-111 of the Education Article, Annotated Code of Maryland

In 2017, the Maryland General Assembly enacted Section § 5-111 of the Education Article, Annotated Code of Maryland, which requires local Boards of Education to report information relating to the provision of specialized intervention services beginning with the 2018-2019 school year. The Maryland State Department of Education was required to establish guidelines for the report that each county board is required to submit to the General Assembly. The following format is provided for that use.

specialized in	ntervention services are services provided to student	s in Kindergarten throu	gh Grade 3 who meet a	all the following criteria:
(1) are not cu	rrently identified as needing special education or rel	ated services;		
(2) need addi and	itional academic and (or) behavioral supports to succ	eed in a core curriculun	and differentiated in	struction general education environment
	ditional academic and behavioral support in small greriod of at least ten weeks during a school year.	roups or individual setti	ngs at least three time	s each week for at least 90 minutes each

#### Specialized Intervention Services School System Budget

Please identify expenditures related to the provision of specialized intervention services to students in grades K-3 who are not currently identified as needing special education services and who are included in your student count. Include Title I funded supports and interventions.

#### Guidance:

- Include each item listed below. If any item does not pertain to your school system, please insert N/A.
- Complete Charts I, II, and II

#### Chart I Screenings Budget

Screenings-include the name of screening tools used and the number of students screened.

Evaluations-include the name of the evaluation tools used and number of students evaluated.

Materials-Include the name of the materials used and the number of students using the materials.

### Chart II Professional Development Budget

Include the title of the professional development and number of people attending each event. Included costs should cover outside speakers/consultants, materials, and other costs.

No costs should be included for local school staff if the PD is provided as part of the school day. For example, if teachers are being paid for their regular workday and attend a professional development, no costs should be included for stipends. If Central Office staff present as part of a workday for which they are being paid, no costs should be included for their presentation since this is part of the regular school day.

#### Chart III Staffing Budget

Include both salary and benefits in staffing costs. Include the percent of time staff used for specialized intervention services. For example, if your behavior specialist worked with a student for 30 minutes three times a week for a total of 10 weeks, you should report the salary and benefits for the percent of the behavior specialist's time spent on specialized intervention services.

#### Chart 1 Screenings Budget

Screenings-include the name of screening tools used and the number of students screened. Evaluations-include the name of the evaluation tools used and number of students evaluated. Materials-Include the name of the materials used and the number of students using the materials.
