Re: Report required by Education Article § 5-111.1 (MSAR #11321)

Dear Governor Moore President Ferguson, and Speaker Jones:

Pursuant to Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local school system (LSS) is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for Dorchester County Public Schools is attached for your review. Should you have questions or need additional information, please contact Mr. Kirk Howie, Sr. Director of Student Services by phone at (410) 221-1111 or email at howiek@dcpssmd.org

Sincerely,

W. David Bromwell,
Superintendent of Dorchester County Public schools
