NEW VAPE-FREE TOOLKIT

- A new toolkit, End the Experiment: Vape-Free Tips & Resources, is now available for Maryland youth and young adults. This toolkit is intended for those interested in learning the facts about e-cigarettes and supporting friends and family to be vape-free. The toolkit includes facts, conversation tips, resources, and links to social media assets.
- The toolkit is attached. It is also found on TheVapeExperiment.com by clicking "Help Others Go Vape Free" on the menu bar or by scrolling down to the middle of the page.

MARYLAND DEPARTMENT OF HEALTH (MDH), CENTER FOR TOBACCO PREVENTION AND CONTROL

- The Maryland Department of Health (MDH), Center for Tobacco Prevention and Control is recruiting 16-20 year-olds statewide to work with adult inspectors to conduct undercover tobacco product buys for MDH and the federal Food and Drug Administration (FDA).
- If you know of anyone ages 16-20 who possesses excellent communication skills and are looking for a part-time job opportunity to serve their community and build their resume, please direct interested applicants to Jeremy Ricewick, Chief of Federal Tobacco Enforcement Initiatives at jeremy.ricewick@maryland.gov. Hourly salary and mileage reimbursement or adult transportation for minors is provided. Flexible hours include evenings and weekends.
