

Ready to Read Act: Annual Data 2022-2023

Ready to Read Act: Annual Data (Kindergarten)

In accordance with the Ready to Read Act (2019), this report includes annual data that is disaggregated and searchable at the county board level. The following information is provided:

- I. the number of students in each grade level;
- II. the number of students screened at each grade level;
- III. the number of students identified through a screening instrument as at risk for reading difficulties in each grade level; and
- IV. the number of students identified as at risk for reading difficulties at each grade level who received supplemental reading instruction.

This report is updated annually and uploaded to The Maryland State Department of Education's English Language Arts website.

Ready to Read Act: Annual Data (Grade 3)

In accordance with the Ready to Read Act (2019), this report includes annual data that is disaggregated and searchable at the county board level. The following information is provided:

- XIII. the number of students in each grade level;
- XIV. the number of students screened at each grade level;
- XV. the number of students identified through a screening instrument as at risk for reading difficulties in each grade level; and
- XVI. the number of students identified as at risk for reading difficulties at each grade level who received supplemental reading instruction.

This report is updated annually and uploaded to The Maryland State Department of Education's English Language Arts website.
