TO: Members of the State Board of Education

FROM: Karen B. Salmon, Ph.D.

DATE: June 27, 2017

SUBJECT: COMAR 13A.05.02.01-.14
Administration of Services for Students with Disabilities
ADOPTION

PURPOSE:

The purpose of this action is to request that the State Board adopt revisions to COMAR 13A.05.02.01-.14 *Administration of Services for Students with Disabilities* (ATTACHMENT I).

REGULATION PROMULGATION PROCESS:

In accordance with the Regulatory Review and Evaluation Act, State Government Article §§ 10-130 – 10-139, Annotated Code of Maryland, the Maryland State Department of Education (MSDE) periodically schedules regulations for review to evaluate the need to retain, amend, or repeal any provisions. The purpose of this review is to determine whether the regulations: 1) continue to be necessary for the public interest; 2) continue to be supported by statutory authority and judicial opinions; and 3) are obsolete or otherwise are appropriate for amendment or repeal.

BACKGROUND/HISTORICAL PERSPECTIVE:

The regulations promulgated by the State Board to govern the administration of services for students with disabilities in Maryland, consistent with the federal Individuals with Disabilities Education Act (IDEA), are located in COMAR 13A.05.02. This chapter of COMAR addresses the State's responsibilities under the IDEA, procedural safeguards, compliance review activities, interagency collaboration, and nonpublic placements by local school systems. The MSDE consulted stakeholder groups to assist in the review process and, as a result of its review and evaluation, proposed several amendments that fall into two categories: 1) updates to terminology; and 2) updates to statutory or regulatory citations. With regard to terminology, the local coordinating councils (LCCs) were replaced by local care teams (LCTs) as a result of a statutory change in 2011. With regard to citations, Article 49D was recodified as Title 8 of the Human Services Article, Annotated Code of Maryland, as a result of a statutory change in 2007. The MSDE has proposed no substantive changes to the regulations.

On December 5, 2016, the State Board approved the proposed regulation for publication. The amendments were published in the Maryland Register on April 28th. In that publication, the Division of State Documents made a mistake and published an incorrect public comment and open meeting timeline. On May 12th, the Division of State Documents corrected their mistake

by publishing a Notice of Change to Opportunity for Public Comment and Open Meeting (attached). During the public comment period, the Department received no comments.

EXECUTIVE SUMMARY:

The following changes are reflected in the amended regulations:

1. 13A.05.02.03B(1) – replaces “local coordinating council (LCC)” with “local care team (LCT)” and replaces Article 49D with Human Services Article § 8-405
2. 13A.05.02.03B(1)(c)– replaces Article 49D with COMAR 14.31.01
