

Mohammed Choudhury
State Superintendent of Schools

TO: Members of the State Board of Education

FROM: Mohammed Choudhury

DATE: July 27, 2021

SUBJECT: COMAR 13A.06.02
Prekindergarten Programs
COMAR 13A.08.01
General Regulations
REQUEST TO WITHDRAW

PURPOSE:

The purpose of this item is to request to withdraw the proposed amendments to COMAR 13A.06.02 *Prekindergarten Programs* and COMAR 13A.08.01 *General Regulations*.

REGULATION PROMULGATION PROCESS:

Under Maryland law, a state agency, such as the State Board, may propose an amendment to a regulation whenever the circumstances arise to do so. After the State Board votes to propose an amendment, the proposed regulation is sent to the Administrative, Executive, and Legislative Review (AELR) Committee for a 15-day review period. If the AELR Committee does not hold up the proposed regulation for further review, it is published in the Maryland Register for a 30-day public comment period. At the end of the comment period, the Maryland State Department of Education (MSDE) staff reviews and summarizes the public comments. Thereafter, MSDE staff will present a recommendation to the State Board to either: (1) adopt the regulation in the form it was proposed; or (2) revise the regulation and adopt it as final because suggested revision is not a substantive change. At any time during this process, the AELR Committee may stop the promulgation process and hold a hearing. Thereafter, it may recommend to the Governor that the regulation not be adopted as a final regulation or the AELR Committee may release the regulation for final adoption.

BACKGROUND/HISTORICAL PERSPECTIVE:

Amendments to COMAR 13A.06.02.01-05 *Prekindergarten Programs* and COMAR 13A.08.01.01-.02-2 *General Regulations* were presented to the State Board on April 27, 2021, with a request for permission to publish in the Maryland Register. The State Board voted to approve the request.

EXECUTIVE SUMMARY:

Given the requirements in the Blueprint, the MSDE is requesting to further review COMAR 13A.06.02.01-05 and COMAR 13A.08.01.01-.02-2 and return to the State Board at a later date with all necessary amendments included rather than recommending amendments in two phases.

ACTION:

Request permission to withdraw proposed amendments to COMAR 13A.06.02 *Prekindergarten Programs* and COMAR 13A.08.01 *General Regulations*.

Title 13A STATE BOARD OF EDUCATION

Subtitle 06 SUPPORTING PROGRAMS

Chapter 02 Prekindergarten Programs

Authority: Education Article §§2-205(c) and (g) and 7-101.1, Annotated Code of Maryland

.01 Scope and Purpose.

A. This chapter applies to all publicly funded prekindergarten programs *administered by local boards of education or qualified vendors* for all eligible **3 and** 4-year-old children, as defined in Education Articles, §7-101.1(a)(3) *and 7-101.2(a)(2)*, Annotated Code of Maryland. *[administered by local boards of education or qualified vendors.]*

B. The overall goal of the prekindergarten program is to provide learning experiences to help children develop and maintain school readiness skills necessary for successful school performance.

C. Local boards of education *and qualified vendors* shall provide prekindergarten programs to accommodate all eligible 4-year-old children seeking enrollment in public school programs.

.02 Definitions.

A. In this chapter, the following terms have the meanings indicated.

B. Terms Defined.

(1) "Accredited" means meets standards of high quality set by the Department's Early Childhood Accreditation Program Standards or by an accrediting organization recognized by the Department.

(2) "Bridge to Excellence Master Plan" means the comprehensive master plan required by Education Article, §5-401, Annotated Code of Maryland.

(3) "Department" means the Maryland State Department of Education.

(4) "CDA" means the Child Development Associate Credential.

(5) "Economically disadvantaged background" means a family whose income *[would make a child eligible for free or reduced price meals based on eligibility requirements established by the United States Department of Agriculture if the child were in kindergarten.] is at or below 185 percent of the annual federal poverty guidelines.*

(6) "Eligibility" means meeting the criteria for enrollment into prekindergarten as stated in Regulation .03A of this chapter.

(7) "Head Start" means a federally sponsored preschool program for children 3 years old to 5 years old from low income families that is licensed by Child Care Administration or administered by local boards of education.

(8) "Homeless student" means a child or youth who lacks a fixed, regular, or adequate nighttime place of residence as defined in COMAR 13A.05.09.02.

(9) *["Maryland Common Core State Curriculum"] "Maryland State Department of Education approved standards"* means measurable statements of what students should know and be able to do within a content area as defined and approved for prekindergarten by the Department *[in collaboration with local school systems].*

(10) "Prekindergarten" means a publicly funded program for all eligible **3- and** 4-year-olds focusing on social *[/emotional] foundations, physical education, health education, [and cognitive development as described in the Maryland Common Core State Curriculum]. English language arts, mathematics, science, social studies, and fine arts.*

(11) "Qualified vendor" means a State or nationally accredited child care program or an approved nonpublic school that:

(a) Is partnering with a local school system through a memorandum of agreement; and

(b) Meets the requirements of Regulation .05 of this chapter.

(12) "School readiness" means the stage of early development that enables an individual child to engage in and benefit from early learning experiences. *[As a result of family nurturing and interactions with others, a young child in this stage has reached certain levels of social and emotional development]. School readiness includes the areas of physical, cognitive, and social and emotional competence, as well as positive approaches toward learning.* School readiness acknowledges *[individual approaches toward learning as well as]* the unique experiences and backgrounds of each child.

.03 Student Eligibility.

A. A local school system shall enroll in prekindergarten all 4-year-old applicants who are from families with economically disadvantaged backgrounds or who are homeless.

B. For vacancies remaining after compliance with §A of this regulation a local school system may:

(1) enroll 4-year-old applicants who are not from families with economically disadvantaged backgrounds but who represent a student population that exhibits a lack of school readiness due to other indicators of risk; and

(2) provide universal access to prekindergarten.

C. Prekindergarten Programs for 3-Year-Old Children.

(1) A local school system or qualified vendor may establish a prekindergarten program enrolling 3-year-old applicants who are from economically disadvantaged or homeless families, or who represent a student population that exhibits a lack of school readiness *due to other indicators of risk.*

(2) A local school system shall be in compliance with 34 CFR §300.115(a)(b) and COMAR 13A.05.01.10 regarding children with disabilities.

(3) A prekindergarten program for 3-year-old children shall meet the requirements of Regulation .05 of this chapter.

.04 Prekindergarten Site Selection.

A. A local school system shall develop a facilities plan identifying appropriate sites to ensure that a publicly funded prekindergarten program is available to all eligible 4-year-old children in its jurisdiction.

B. The facilities plan may include local school system memorandums of agreement with qualified vendors and Head Start to provide prekindergarten program services that meet the local school system responsibilities in accordance with Regulation .05 of this chapter.

.05 Local School System Responsibilities.

[A local school system shall:]

A. A local school system shall:

(1) Develop and maintain a policy for determining the eligibility and selection of prekindergarten sites as well as the eligibility of 4-year-old students for prekindergarten programs consistent with the requirements of this chapter;

(2) Develop criteria in reference to Regulation .03B and C of this chapter that establishes procedures to include children in the prekindergarten program who are not eligible under Regulation .03A of this chapter;

(3) Operate the prekindergarten educational program 5 days per week for a minimum of 2.5 hours per day consistent with the school calendar approved by the local board;

(4) Analyze the Department-approved kindergarten assessment system information described in COMAR 13A.08.01.02-3 to evaluate the effectiveness of the prekindergarten program, and make necessary adjustments to the prekindergarten instructional program;

(5) Provide data in the Bridge to Excellence Master Plan needs assessment to indicate progress on prekindergarten program goals;

(6) Provide staffing for each session of prekindergarten to include [a teacher who possesses a current State professional certificate in early childhood education and a para-professional with a minimum of a high school diploma, or its equivalent, or a CDA];

(a) A teacher who possesses a current Maryland Standard Professional certificate in early childhood education and an assistant teacher or para-professional with a minimum of a high school diploma, or its equivalent, or a CDA and

(b) Beginning with July 1, 2022, newly hired assistant teachers or para-professionals must possess a minimum of a high school diploma, or its equivalent and a CDA or an AA or a ParaPro certificate or at least 48 college credits;

(7) Align each prekindergarten program with the Maryland [Common Core State Curriculum] State Department of Education approved standards;

(8) Based on the September 30 enrollment count, maintain [an average] a staff to student ratio of at least 1:10 with [an average of] no more than 20 students per classroom; and

(9) Provide responses to Department requests for information and data related to the operation of the prekindergarten program.

B. A qualified vendor shall:

(1) Maintain State or national early childhood program accreditation;

(2) Have the capacity to meet the responsibilities identified in this regulation;

(3) Be licensed to operate a child care [center] program pursuant to COMAR 13A.15, COMAR 13A.16, COMAR 13A.17, or COMAR 13A.18; and

(4) Provide responses to Department requests for information and data related to the operation of the prekindergarten program.

.02-[2] -1 Exemptions to Kindergarten Attendance Requirement.

A. Level of Maturity Waiver.

(1) A child who resides in this State and is 5 years old may be exempted from mandatory school attendance for 1 year if the child's parent or guardian believes that a delay in school attendance is in the best interest of the child and the parent or guardian files a written request with the local superintendent of schools asking that the child's attendance be delayed due to the child's level of maturity.

(2) A written request for a 1-year exemption from mandatory attendance for a 5-year-old shall be filed with the local superintendent of schools or the superintendent's designee before the opening of school of the year in which the child becomes 5 years old.

(3) After a child is enrolled in kindergarten, a parent or guardian may file a written request to withdraw the child from the program and delay attendance until the following school year if the parent or guardian believes it is in the best interest of the child.

(4) The local school system shall approve the request for delay or withdrawal in writing within 5 working days from date of receipt.

(5) The local school system shall report to the State Department of Education, on forms provided by the State Department of Education, information on the number of 5-year-old children for whom requests have been received.

[B. Alternative Program Settings.

(1) A child may be exempted from attending kindergarten if a parent or guardian of the child files in writing their intent to place the child in an alternative setting and verifies that the child is enrolled:

- (a) Full-time in a licensed child care center;
- (b) Full-time in a registered family day care home; or
- (c) Part-time in a Head Start 5-year-old program.

(2) A parent or guardian who elects to enroll a child full-time in a licensed child care center, full-time in a family day care home, or part-time in a Head Start 5-year-old program shall file their intent to enroll the 5-year-old child in an alternative program with the local school system before the opening of school of the year in which the child becomes 5 years old. The parent or guardian shall verify enrollment by providing the following information:

- (a) Name of program;
- (b) Address of facility location; and
- (c) License or registration number and expiration date.

(3) A parent or guardian of a child who attended an alternative program shall register the child for first grade before the opening of school of the year in which the child becomes 6 years old and shall provide documentation showing proof of attendance in the alternative program setting. Documentation includes:

- (a) Date child was enrolled; and
- (b) Number of days child was absent.
- (4) Program directors/providers who enroll a 5-year-old child full-time in a licensed child care center, full-time in a family day care home, or part-time in a Head Start 5-year-old program shall furnish the parent or guardian with the documentation as specified in §B(2)—(3) of this regulation.]

[C] **B.** Non-State Residents. A 5-year-old child who moves into Maryland who has had a kindergarten experience in another state for part of the school year shall be enrolled in kindergarten. A 6-year-old child who moves into Maryland who has not had a kindergarten experience may be enrolled in kindergarten or first grade. The local school system shall determine the appropriate grade placement of a 6-year-old child who moves into Maryland based on a review of the documentation provided by the parent or guardian.

.02-[3] -2 Kindergarten Readiness Assessment.

A. Definitions.

- (1) For the purpose of this regulation, the following terms have the meanings indicated.
- (2) Terms Defined.

(a) “Department-approved kindergarten readiness assessment” means the kindergarten readiness assessment developed and approved by the Department for the purpose of measuring school readiness.
