Submitted

3) On the home page, locate the application Household Info section and the view button. Click the "View" button to display application Household Info (see below).

■ BOOST Application

⊙ This has been submitted.

Thank you for submitting your application to the BOOST Scholarship Program. Applicants will be notified via email of their application status.

The BOOST online application was not designed for applicants to view the status of their application after their application has been submitted. Do not log into your application after submission. The BOOST Program will be reviewing applications for eligibility in the coming weeks and applicants will be notified of the application status. "

Household Info

View

Address, number of household members, income, and other info. Click the "Start Now" or "Edit (Pencil and Paper)" button at right.
