Program Description

The [BOOST \(Broadening Options and Opportunities for Students Today\) Scholarship Program](#) provides scholarship awards for some students who are eligible for the free or reduced-price school meals program ([FARMs](#)) to attend eligible nonpublic schools. Priority will be granted to students who qualify for FARMs and received a BOOST scholarship award last school year, as well as their siblings.

During the 2022-2023 school year, over 3,000 scholarship awards were granted to low-income students. Scholarship awards were sent to participating nonpublic schools in 20 jurisdictions across Maryland.

This guide provides information for both eligible nonpublic schools, as well as parents/guardians who are interested in applying for a BOOST Scholarship for their child(ren).

Authorization

Budget bill for fiscal year 2024 ([House Bill 200](#))

Name of Program

BOOST (Broadening Options and Opportunities for Students Today) Scholarship Program

Purpose

The purpose of the BOOST Scholarship Program is to provide scholarships to low-income students to attend a participating nonpublic school in Maryland.

Dissemination

This information guide and the online application will be released on May 11, 2023

Deadline

Student applications are due no later than 11:59 p.m. on June 30, 2023

Program Period

July 1, 2023 - June 30, 2024

Funding Amount Available

- \$9,000,000 + carry-over of unused funds from the previous year
- \$700,000 must be used to provide an additional award for any student with a documented special need

Estimated Number of Scholarship Awards

3,200 awards

Number of Participating Nonpublic Schools

169 nonpublic schools

Submission Instructions

Parents must complete the [online BOOST Scholarship application](#) no later than June 30, 2023 for any children they wish to be considered for a BOOST Scholarship award.

Participating Nonpublic Schools must create a BOOST school profile and submit reporting requirements according to the timeline. The school profile and reporting requirements must be submitted through the [online BOOST Scholarship application](#).

State Responsibilities

MSDE is responsible for establishing procedures for the application and award process for scholarships for students who are eligible for the free or reduced-price meals ([FARMs](#)) program. The procedures shall include consideration for award adjustments if an eligible student becomes ineligible during the course of the year. MSDE shall also compile and certify a list of applicants that ranks eligible students by family income expressed as a percent of the most recent federal poverty levels. MSDE shall submit the ranked list of applicants to the BOOST Advisory Board and make scholarship awards to eligible students as determined by the BOOST Advisory Board.

In order to meet its BOOST Program reporting requirements to the budget committees, MSDE shall specify a date by which participating nonpublic schools must submit information to MSDE. Any nonpublic schools that do not provide the necessary information by that specified date shall be ineligible to participate in the BOOST Program.

BOOST Advisory Board Responsibilities

The BOOST Advisory Board is appointed as follows: 2 members appointed by the Governor, 2 members appointed by the President of the Senate, 2 members appointed by the Speaker of the House of Delegates, and 1 member jointly appointed by the President and the Speaker to serve as the chair. The BOOST Advisory Board shall take into account the needs of students with disabilities on an Individualized Education Plan (IEP) or 504 Plan when determining scholarship award amounts. MSDE shall make scholarship awards to eligible students as determined by the BOOST Advisory Board.

Nonpublic School Responsibilities

The participating nonpublic school is responsible for complying with reporting requirements. A participating nonpublic school must not discriminate in student admissions, retention, or expulsion, or otherwise discriminate against any student on the basis of race, color, national origin, sexual orientation, or gender identity or expression.

Program Contact

Robert Wancowicz

BOOST Program Manager

robert.wancowicz@maryland.gov

Eligibility

Nonpublic Schools

This funding opportunity is designed to award students with a scholarship to attend a nonpublic school registered to operate in the state of Maryland. To be eligible to participate in BOOST, a nonpublic school must:

- Hold a certificate of approval from or be registered with the State Board of Education;
- Be approved to participate in the [Nonpublic Textbook Program](#);
- Provide more than only prekindergarten and kindergarten programs; and
- Comply with all BOOST reporting requirements by the specified date.

Notes:

Any nonpublic schools that do not submit reporting requirements by the specified deadline shall be ineligible to participate in the BOOST Program.

Participating nonpublic schools must comply with Title VI of the Civil Rights Act of 1964 as amended, Title 20, Subtitle 6 of the State Government Article, and not discriminate in student admissions, retention or expulsion or other discriminate against any student on the basis of race, color, national original, sexual orientation, or gender identity or expression. Nothing shall require any school or adopt any rule, regulation, or policy that conflicts with its religious or moral teachings. However, all participating schools must agree that they will not discrimination in student admissions, retention or expulsion or other discrimination against any student based on race, color, national original sexual orientation or gender identify or expression.

If a nonpublic school does not comply with these requirements, it shall reimburse MSDE all scholarship funds received under the BOOST program for the 2023-2024 school year and may not charge the student tuition and fees instead. The only other legal remedy for violation of this provision is the ineligibility for participating in the BOOST Program.

Students

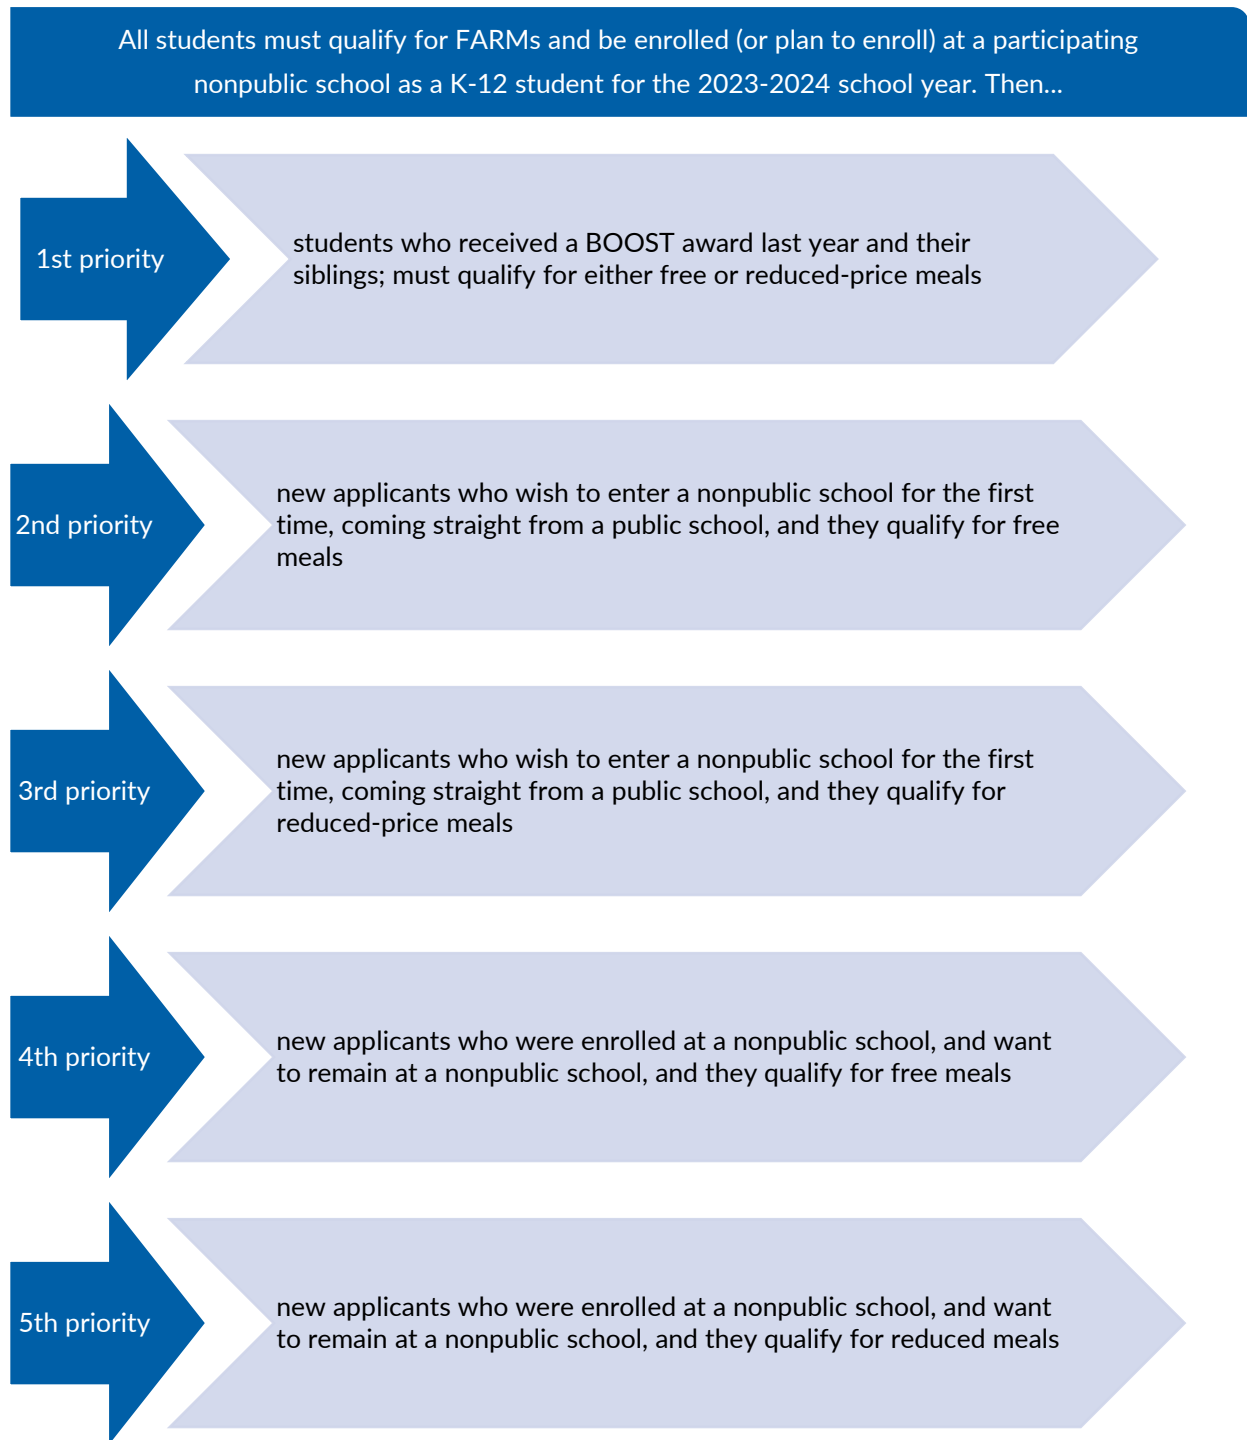

A student is eligible to be considered for a scholarship award if the student:

- Will be in grade kindergarten – grade 12 in the 2023-2024 school year;
- Is enrolled (or plans to be enrolled) at a participating nonpublic school for the 2023-2024 school year; and
- Meets the income eligibility to qualify for free and reduced-price meals ([FARMs](#)).

Notes:

[FARMs](#) eligibility is determined through the application review process. Through the online application, parents/guardians submit their Federal 1040 tax returns for the prior year, and they are ranked in order of priority.

The number of students who apply for a scholarship usually exceeds the funding available. Therefore, students must be ranked in order of priority and household income in the following way:

Use of Funds

The BOOST Scholarship award must be deposited by the participating nonpublic school and applied to the student's tuition account at the school in which the student is enrolled. Funds must be used for tuition and fees only.

Notes:

The award may not be transferred to another student.

If the student was not enrolled and/or did not attend any school days, the participating school must return the undeposited scholarship check to MSDE.

If the student withdraws or is expelled from the school before April 30, 2024, the participating school must send MSDE a refund of the prorated value of the award. The scholarship check(s) must be mailed to MSDE via certified mail to the address below:

Maryland State Department of Education
Attention: Robert Wancowicz, BOOST Scholarship Program, 2nd floor
200 West Baltimore Street
Baltimore, MD 21201

To calculate a prorated amount, divide the number of school days the student was enrolled by the total number of school days in your school year and then multiply the result by the total BOOST award amount, rounded to the nearest dollar. Subtract the prorated amount from the BOOST Award amount and refund that amount to the BOOST Program.

Sample scenario:

Matthew Smith accepted a scholarship award for \$1,000. He enrolled at your school and attended school for 10 days, then withdrew. There are 180 total student school days at your school. To calculate the BOOST prorated refund amount, use the following formula:

$$10 \text{ school days} \div 180 \text{ total possible school days} = 0.056$$

$$0.056 \times \$1,000 = \$56 \text{ (no cents, round to the nearest dollar)}$$

$$\$1,000 - \$56 = \$944 \text{ refund to MSDE}$$

Deposit the scholarship check. Send MSDE a refund check in the amount of \$944.

Application

For Nonpublic Schools

Only schools who were approved to participate in the Nonpublic Textbook Program will be invited to apply for the BOOST Scholarship Program. In March 2023, eligible nonpublic schools indicated their interest in participating in the BOOST Program. A list of schools that have chosen to participate in the BOOST program can be found on the BOOST [webpage](#).

Participating nonpublic schools must create a school profile through the [online BOOST Scholarship application](#) to participate for the 2023-2024 school year. Reporting requirements will also be submitted through the same application portal.

For Students

Parents/Guardians submit an application for their child(ren) to receive a BOOST Scholarship Award through the [online BOOST Scholarship application](#). As a part of that online application, parents/guardians will be asked to provide the following information:

- The child's full name as it appears on their birth certificate;
- Whether the child received a BOOST Scholarship award last year;
- Whether the child is the sibling of a student who received a BOOST Scholarship award last year;
- The grade the child will be entering for the 2023-2024 school year;
- The nonpublic school that the school the child will be attending for the 2023-2024 school year;
- The school in which the child is currently enrolled;
- Whether the child has a learning disability and receives special education services in school (this must later be confirmed by the nonpublic school); and
- The Federal 1040 Tax Returns for the prior year, uploaded in pdf format.

Student applications will be reviewed for eligibility and completeness on a rolling basis.

Scholarship Award Process

The process of disseminating student scholarship awards will take place following these steps:

1. Student applications will be reviewed for eligibility and completeness on a rolling basis.
2. After June 30, 2023, all application data is collected and shared with the BOOST Advisory Board.
3. The BOOST Advisory Board will convene in summer 2023 and determine the amount of the base scholarship award, the amount of the additional award for students receiving special education students, and any other award criteria. These amounts will be posted to the BOOST [webpage](#) once they are determined.
4. The number of awards that can be offered to students is calculated, and those parents/guardians will receive notification via email that their child is being offered an award. They must accept or decline the award by the deadline in their award notification.
5. Participating nonpublic schools must then confirm that the student being offered the award is enrolled at their school. For any students whose parents indicated that they receive special education services, the school must confirm this by uploading a copy of the student's IEP, IFSP or 504 Plan.
6. Once all schools have completed enrollment confirmation, MSDE prepares for the BOOST scholarship checks to be printed at the Office of the Comptroller of Maryland.
7. Scholarship checks are picked up and packaged in FedEx envelopes at MSDE headquarters. Schools will receive a FedEx envelope containing all of the scholarship checks for students at their school who were offered an award.

Application Timeline

A timeline of important events is below:

Date	Milestone
February 21, 2023	The intent survey for eligible nonpublic school participation opens.
February 21, 2023	MSDE will hold a customer service session for eligible nonpublic schools.
March 31, 2023	The intent survey for interested nonpublic school participation closes and a final list is posted to the BOOST webpage.
May 11, 2023	The application for parents/guardians to apply for a scholarship opens.
May 16 & May 24, 2023	MSDE will hold customer service sessions for parents/guardians.
June 30, 2023	The application for parents/guardians to apply for a scholarship closes.
July 2023	The BOOST Advisory Board will convene to determine the value of the base award and additional award amounts for special education students.
August 2023	MSDE will alert parents/guardians of the result of the eligibility review.
August 15, 2023	MSDE will hold an early bird customer service session for participating nonpublic schools
September 7, 2023	MSDE will hold a customer service session for participating BOOST schools
September 21, 2023	Early bird deadline for nonpublic schools to complete reporting requirements.
October 12, 2023	Deadline for nonpublic schools to complete reporting requirements.
October - December 2023	MSDE sends out scholarship awards. No new awards will be offered after December 15, 2023.

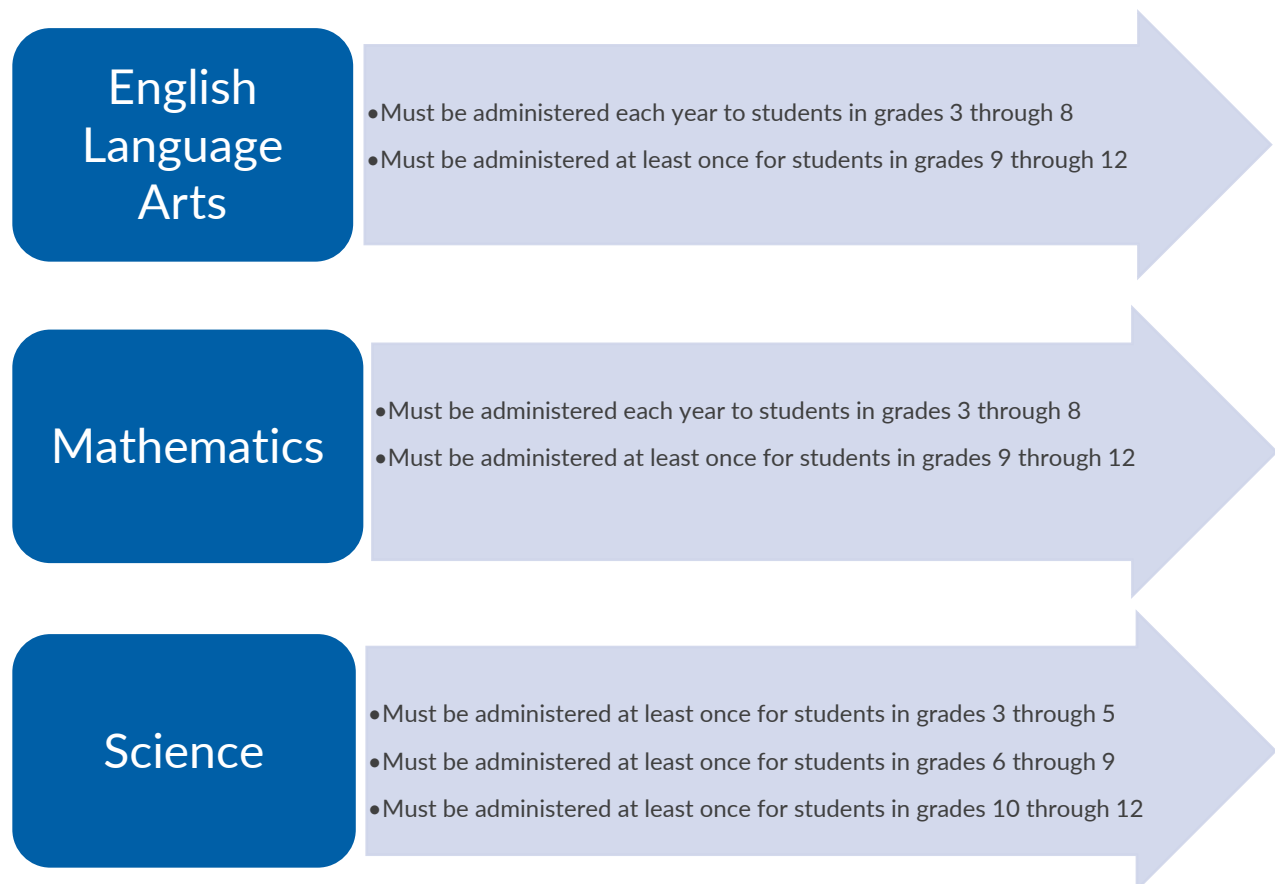

Reporting Requirements

Participating nonpublic schools must comply with the following reporting requirements prior to receiving any BOOST scholarship checks:

- Administer an approved assessment in English Language Arts, Math, and Science to all students, not just BOOST students;
- Submit student assessment data from the prior year (the name of the approved assessment, how many students tested proficient, etc.);
- Provide the number of certified and non-certified teachers in the areas of Early Childhood, Elementary Education, English, Mathematics, Reading, Language Arts, Science, Social Studies, The Arts, and World Languages; and
- Provide the number of students who received a BOOST Scholarship Award last year and were subsequently withdrawn or expelled from school, as well as the reason, and the number of days of school that the student attended school.

Notes:

Participating schools must administer an English Language Arts assessment, a Mathematics assessment, and a Science assessment to all students in the following grades:

Non-Discrimination Statement

The Maryland State Department of Education does not discriminate on the basis of age, ancestry/national origin, color, disability, gender identity/expression, marital status, race, religion, sex, or sexual orientation in matters affecting employment or in providing access to programs and activities and provides equal access to the Boy Scouts and other designated youth groups. For inquiries related to Department policy, please contact:

Equity Assurance and Compliance Office
Office of the Deputy State Superintendent for Operations

Maryland State Department of Education
200 W. Baltimore Street - 2nd Floor
Baltimore, Maryland 21201-2595

410-767-0123 - voice
410-767-0431 - fax
410-333-6442 - TTY/TDD

The General Education Provisions Act (GEPA)

Each application must develop and describe the steps the applicant proposes to take to ensure equitable access to, and equitable participation in, the project or activity to be conducted with such assistance, by addressing the special needs of students, teachers, and other program beneficiaries to overcome barriers to equitable participation.

Customer Service Support Sessions

MSDE will hold several customer service support sessions for interested applicants. During these sessions, MSDE personnel will provide important information and answer questions. To attend a session, click a session link below:

Sessions for Nonpublic Schools

Tuesday, February 21, 2023

10:00 a.m. – 11:00 a.m.

During this session for eligible nonpublic schools, we reviewed eligibility, participation, and provided a brief overview of the reporting requirements.

Tuesday, August 15, 2023

2:00 p.m. – 3:00 p.m.

During this session for participating schools, we will review reporting requirements in detail.

[Click here to access the session.](#)

Thursday, September 7, 2023

10:00 a.m. – 11:00 a.m.

During this session for participating schools, we will review reporting requirements in detail.

[Click here to access the session.](#)

Sessions for Parents/Guardians

Tuesday, May 16, 2023

10:00 a.m. – 11:00 a.m.

During this session for parents/guardians, we will review eligibility requirements, as well as the application.

[Click here to access the session.](#)

Wednesday, May 24, 2023

6:00 p.m. – 7:00 p.m.

During this session for parents/guardians, we will review eligibility requirements, as well as the application.

[Click here to access the session.](#)

MSDE staff will also be available to provide technical assistance throughout the BOOST Scholarship application and award process. Contact Robert Wancowicz at robert.wancowicz@maryland.gov with or (410) 767-0443 with any questions or concerns.

Please visit the BOOST Scholarship Program [webpage](#) for important information and updates.

Appendices

Appendix A: List of Nonpublic Schools Participating in the BOOST Scholarship Program

Appendix A: List of Nonpublic Schools Participating in the BOOST Scholarship Program

Eligible nonpublic schools completed a survey indicating their interest in participating in the BOOST Scholarship Program in March 2023. A current list can be found on the BOOST [webpage](#). That list is also provided below:
