## **Broadening Options and Opportunities for Students Today (BOOST)**

**Advisory Board Meeting – July 21, 2020**

### **Summary of Decisions**

#### **Approved**

- 1) The BOOST Advisory Board (Board) approved the decision summary for the October 28, 2019 meeting.
- 2) The Board reviewed the 2020-2021 award recommendation models based on the actual eligible applicant data and issued BOOST Scholarships as follows:
  - a. All renewal applicants
  - b. All new applicants from public schools
  - c. \$1,000 enhancement to the award level for all high school scholarships
  - d. Students with disabilities, as identified by the participating schools, will receive an award adjustment equal to the base award amount.
  - e. New Applicants currently attending private school will be placed on a wait list. If funds become available, applicants will be offered a scholarship in income order.
- 3) Meeting adjourned.
