These schedules do not include potential additional funding provided in the Fiscal Year 2018 Budget Bill. Restrictive language in the program for Disparity Grants to local governmental units makes portions of the funding for Baltimore City, and Cecil, Prince George's, Washington, and Wicomico Counties, contingent upon those local units providing additional appropriation to their respective school systems.

Additionally, as noted in the prior release, the Governor is authorized to use Fiscal Year 2017 Deficiency Appropriation to pay \$19,695,182 to the State Retirement and Pension System to cover a portion of the normal cost payments by local school boards. Additional information on this legislation is available at the Maryland General Assembly's website: [mgaleg.maryland.gov](http://mgaleg.maryland.gov). A detailed explanation of the restrictions can be found in the Fiscal and Policy Note for HB1109. At the end of this document I have attached a copy of the relevant pages of the Budget Bill.

If you have any questions regarding these calculations, please feel free to contact Steve Brooks at 410-767-0793 or by email at [steve.brooks@maryland.gov](mailto:steve.brooks@maryland.gov).
