

## Mathematics SFVC Minutes

---

**Meeting Date and Time:** Wednesday, April 30, 2025

**Committee Chair/Co-chairs:** Lyndsey Brightful, Dr. John Staley

**Members:** Erin Godwin, Danielle Glen, Dr. Karen Karp, Stacie Marvin, Lisa McKinnon, Jen Meehan, Robert Richardson, Karen Riley-Jeffers, John San Giovanni, Dr. Beyunka Scates, Amy Stoops, Therman Trotman, Hattie Webb, John Staley

**Today's Attendance:** **Lyndsey Brightful, Erin Godwin, Danielle Glen, Dr. Karen Karp, Stacie Marvin, Lisa McKinnon, Jen Meehan, Robert Richardson, Karen Riley-Jeffers, John San Giovanni, Dr. Beyunka Scates, John Staley, Amy Stoops, Therman Trotman, Hattie Webb**

**Next meeting (day and time):** Wednesday, May 14, 2025

### MEETING NOTES

#### Welcome and Overview of Meeting

- Call to Order at 3:33pm
- Jen Meehan and Robert Richardson reviewed the meeting outcomes and agenda.
- Edit needed in Meeting #15 Minutes ( Ensure all language is user ~~friends~~ friendly). With the suggested edits, motion to approve minutes from Meeting #15. Motion by Lisa McKinnon, seconded by Erin Godwin. Motion passes to accept the minutes from the last meeting.
- Review of Timeline of Progress and Snapshot.

#### PreK-6 Subcommittee Discussion

- Jen Meehan shared general and overarching feedback for Grades 3-6 revisions.
- Stacie Marvin and Jen Meehan shared mathematics supervisor feedback for specific standards to discuss and determine necessary edits.

#### 7-12 Subcommittee Discussion

- Robert Richardson shared general and overarching feedback for Grades 7 – Integrated Algebra revisions.
- Robert Richardson shared mathematics supervisor feedback for specific standards to discuss and determine necessary edits.

#### Standard Code Discussion

- Jen Meehan and Robert Richardson presented options for standards coding, including both elementary and secondary examples.
- SFVC members discussed the various options including advantages and disadvantages of each.
  - Using codes aligned to Numeracy Domains allows Maryland to set expectations for implementation for new standards in alignment with Numeracy Development Framework.

- Motion by John Staley to use Option 3 for standard coding, second by John SanGiovanni. All in favor.

**Vote**

- Motion by Amy Stoops to post revisions of PreK-Integrated Algebra standards for public comment. Second by Beyunka Scates. All in favor.

**Actions and Next Steps**

- Committee members will complete the form to share availability for final vote meeting by EOD May 2.
- Meeting adjourned 5:25 p.m.
