## Introduction

As required by the Education Article of the Annotated Code of Maryland Section 7-302, Report of Absences and Maladjustment and Section 7-304, Special Programs for Disruptive Students, each school system must annually provide the number of students identified as being habitually truant to the Maryland State Department of Education.

A student is considered a habitual truant if he or she meets ALL of the following criteria:

- the student was age 5 through 20 during the school year;
- the student was in membership in a school for 91 or more days; and
- the student was unlawfully absent for 20% or more of the days in membership.

This report presents information on the percentage of habitual truants by Local Education Agency and school. Only schools that reported habitual truants in the 2022-2023 school year are included in this report. Schools with no habitual truants are excluded.
