

## Attestation of Certificate Status for Military Service Members and Spouses

### Overview

The service members Civil Relief Act (SCRA), codified at [50 U.S.C. §§ 3901—4043](#), provides service members and their families with a wide variety of financial and housing protections. On January 5, 2023, President Joseph Biden signed the [Veterans Auto and Education Improvement Act of 2022 \(H.R. 7939\)](#) into law. Section 19 of this law amends the SCRA by adding provisions for portability of professional licenses of service members and their spouses.

This new SCRA provision, codified at [50 U.S.C. § 4025a](#), allows service members and their spouses to use their professional licenses and certificates in certain circumstances when they must relocate due to military orders. For a license to be considered valid in a new location, a service member or their spouse must satisfy the following five criteria:

1. Have moved to a location outside the jurisdiction of the licensing authority that issued the covered license or certificate because of orders for military service;
2. Provide a copy of the military orders to the licensing authority in the new jurisdiction;
3. Have actively used the license or certificate during the two years immediately preceding the move;
4. Remain in good standing with:
  - a. The licensing authority that issued the covered license or certificate; and
  - b. Every other licensing authority that issued a valid license or certificate for a similar scope of practice and in the discipline applied for in the new jurisdiction; and
5. Submit to the licensing authority in the new jurisdiction for the purposes of standards of practice, discipline, and fulfillment of any continuing education requirements.

If these five criteria are met, the service member or their spouse's covered license or certificate "shall be considered valid at a similar scope of practice and in the discipline applied for in the [new] jurisdiction" for the duration of military orders, in addition to the expedited credentialing for service members and their spouses.
