

**Title II, Part A – Preparing, Training, and Recruiting High Quality Teachers, Principals, or Other School Leaders  
Determination of Proportionate Share of Title II, Part A Funds for Private Schools**

The amount an LEA must reserve to provide equitable services for private school teachers and other educational personnel for Title II, Part A services is based on the LEA’s total Title II, Part A allocation, less administrative costs. The LEA determines the amount of funds available for Title II, Part A equitable services for private school teachers and other educational personnel by calculating, on a per-pupil basis, the amount available for all public and private school students enrolled in participating private elementary and secondary schools in areas served by the LEA (regardless of a student’s residency), taking into consideration the number and needs of the children, their teachers and other educational personnel to be served.

<b>Example of Formula to Determine Amount for Title II, Part A Equitable Expenditures</b>	
<b>A. Number of Students</b>	
A1: LEA Enrollment	900
A2: Participating Private School Enrollment	100
A3: Total Enrollment = A1 + A2	1,000
<b>B. Title II, Part A Allocation</b>	
B1: Total LEA Allocation	\$100,000
B2: Administrative Costs (for public and private school programs)	\$50,000
B3: LEA Allocation Minus Admin Costs = B1 - B2	\$50,000
<b>C. Per Pupil Rate</b>	
C1: B3 divided by A3	\$50
<b>D. Equitable Services</b>	
Amount LEA must reserve for equitable services for private school teachers and other educational personnel = A2 x C1	\$5,000
