Title I Program Improvement & Family Support POC 2019-2020

PLC Configuration

Purpose: Professional Learning Communities are formed with teams who have similar characteristics and are grounded in a common goal. The core mission of formal education is not simply to ensure that students are taught, but to ensure that they learn. This simple shift—from a focus on *teaching to a focus on learning*—has profound implications for schools, districts and state personnel who provide guidance and technical assistance.

- **Establish** a common meeting agenda that all POCs would address during their meetings. Additional items would be identified by the PLC members.
- **Conduct** meetings at the end of Administrative Meetings in the **Fall** (i.e., reviewing feedback from draft applications submitted) and **Spring** (i.e., debriefing spring meeting agenda items, updates to application, as applicable). **Winter** briefing could be virtual (conference call, zoom or google hang-out to include preparing budgets for the new school year, equitable services, Supplement not Supplant, etc.).
- **Create** a shared drive for POC to upload ppt, handouts, etc. so that information is available to PLC members.
