Organizational Capacity & History of Training

Describe the ways in which the organization has engaged with the specialized training related to emergency preparedness in community child care programs or a similar applicable field.

Describe the specific strategies and work plan that includes clearly specified objectives, activities, timeline, evaluations, and components to be used to train and provide technical assistance to infant/toddler caregivers.

Summarize your project's expertise and proven strengths over the past three years. Include the use of pertinent research-based practices to develop strategies, how challenges have been addressed, the populations you have served as well as some data on goals met.

Please see the Grants Information Guide for instructions.

PLAN OF OPERATION

Describe the specific strategies and work plan to be used to train and provide technical assistance to infant/toddler caregivers in the following areas:

Special Needs Training and Technical Assistance: Detail strategies and activities for delivery of training and technical assistance and identified special needs; applicants should specifically identify any training that provides for medical interventions.

Type response here.

Emergency Preparedness Training and Technical Assistance: Detail strategies and activities for delivery of training and technical assistance to child care providers on emergency preparedness basics. Applicants should include descriptions of how to prepare for and coordinate services after an emergency situation.

Type response here.

EVALUATION AND DISSEMINATION

Evaluation

Regular assessment is important to determine the effectiveness of the Specialized Training for Caregivers and Child Care Providers program. Describe in detail how your program will successfully provide training and technical assistance to participants.

Evaluation Measure	Goal
Number of Specialized Training Sessions Offered	
Number of Technical Assistance Sessions Provided	
Number of participants who completed training and technical assistance sessions.	
Pre- and Post-training assessments completed and percentage with passing grades	
Post training satisfaction surveys with follow up sessions	

Describe in detail what success will look like and the criteria that will be used to determine and measure success. Applicants should connect to identified goals and outcomes as appropriate.

Type response here.

Dissemination

Describe in detail how your program will disseminate evaluation results to major stakeholder groups and individuals with interest in your project. Please include specific information related to your program, such as training and technical assistance required, and existing or planned partnerships. This section should also provide timelines and methods of dissemination, such as reports or presentations. Describe your program's Marketing and Dissemination Activities using the following chart:

Marketing and Dissemination Activities	Goal
Partnership established to promote trainings	
Social Media platforms use to post trainings	
Communication with state networks, agencies, and programs (specify agency)	
Attendance at resource fairs and conferences (specify event)	
Information distributed (specify event/location, platform/agency, and delivery system)	

MANAGEMENT PLAN AND KEY PERSONNEL

The management plan clearly defines the roles, responsibilities, tasks, and deadlines of key contributors to make sure your plan for the Specialized Training for Caregivers and Child Care Providers Grant is a success. Ensure that all administrative and key personnel responsible for the successful implementation and monitoring of the grant requirements are captured here. Provide resume(s) as an appendix and use the chart below.
