RE: XXXXX  
Reference: #17-050

Dear Parties:

The Maryland State Department of Education (MSDE), Division of Special Education/Early Intervention Services (DSE/EIS), has completed the investigation of the complaint regarding special education services for the above-referenced student. This correspondence is the report of the final results of the investigation.

**ALLEGATION:**

On October 31, 2016, the MSDE received a complaint from Ms. XXXXXXXXXXXX, hereafter, “the complainant,” on behalf of her daughter, the above-referenced student. In that correspondence, the complainant alleged that the Howard County Public Schools (HCPS) violated certain provisions of the Individuals with Disabilities Education Act (IDEA) with respect to the above-referenced student.

The MSDE investigated the allegation that the HCPS did not ensure that the student was consistently provided with home-school communication, as required by her Individualized Education Program (IEP), from May, 2016 to June, 2016, in accordance with 34 CFR §§300.101 and .323.

**INVESTIGATIVE PROCEDURES:**

1. On November 3, 2016, the MSDE sent a copy of the complaint, via facsimile, to Ms. Nancy Fitzgerald, Executive Director of Special Education and Student Services, HCPS.

2. On November 9, 2016, the MSDE requested documents from the HCPS.
3. On November 21, 2016, Mr. Gerald Loiacono, Ms. Sharon Floyd, Mr. Albert Chichester, and Ms. K. Sabrina Austin, Education Program Specialists, MSDE, conducted a telephone interview with the complainant about the allegation.
4. On November 22, 2016, the MSDE sent correspondence to the complainant that acknowledged receipt of the complaint and identified the allegation subject to this investigation. On the same date, the MSDE notified the HCPS of the allegation and requested that the school system staff review the alleged violation.
5. On December 12, 2016, the HCPS provided the MSDE with documents to be considered.
6. On December 15, 2016, Mr. Loiacono reviewed the student's educational record at the student's school.
7. The MSDE reviewed documentation, relevant to the findings and conclusions referenced in this Letter of Findings, which includes:
  - a) IEP, dated August 3, 2015;
  - b) IEP, dated January 12, 2016;
  - c) IEP, dated January 27, 2016;
  - d) IEP, dated February 26, 2016;
  - e) Home-school Communication logs, dated August 31, 2015 to June 13, 2016; and
  - f) Correspondence from the complainant containing an allegation of a violation of the IDEA, received by the MSDE on October 31, 2016.

### **BACKGROUND:**

The student is 11 years old and attends XXXXXXXXXXXXXXXXXXXX. She is identified as a student with Autism under the IDEA and has an IEP that requires the provision of special education and related services (Doc. a - d).

During the time period addressed by this investigation, the complainant was provided with notice of the procedural safeguards (Doc. a - d).

### **FINDINGS OF FACTS:**

1. The student's IEP requires that "data regarding progress towards IEP goals/objectives should be sent home to parents every two weeks" (Docs. a - d).
2. While there is documentation that the complainant was provided with the required data every two weeks during the school year, there is no documentation that she was provided with reports that included the same type of data for the period of May, 2016 to June, 2016 (Doc. e and review of the student's record).

**DISCUSSION/CONCLUSIONS:**

The public agency must ensure that special education services are provided as required by the IEP (34 CFR §§300.101 and .323).

In this case, the complainant alleges that, from May, 2016 to June, 2016, she was not provided with the data regarding the student's progress that was required by the IEP (Doc. f).

Based on the Findings of Facts #1 and #2, the MSDE finds that there is no documentation that the complainant was provided with the data required by the IEP during this time period. Therefore, this office finds that a violation occurred.

**CORRECTIVE ACTIONS/TIMELINE:**

**Student-Specific**

The MSDE requires the HCPS to provide documentation by March 1, 2017 that the IEP team has determined whether the violation had a negative impact on the student's ability to benefit from the education program, and if so, the compensatory services or other remedy for the violation.

If the IEP team determines that there was a negative impact, the MSDE requires the HCPS to provide documentation that the services have been provided within one year of the date of this Letter of Findings.

**School-Based**

The MSDE requires the HCPS to provide documentation by March 1, 2017 of the steps that have been taken to ensure that the staff at XXXXXXXXXXXXXXXXXXXX comply with the requirement to provide special education services in accordance with each student's IEP.

Documentation of all corrective action taken is to be submitted to this office to: Attention: Chief, Family Support and Dispute Resolution Branch, Division of Special Education/Early Intervention Services, MSDE.

**TECHNICAL ASSISTANCE:**

Technical assistance is available to the parties by contacting Dr. Nancy Birenbaum, Compliance Specialist, Family Support and Dispute Resolution Branch, MSDE at (410) 767-7770.

Please be advised that the HCPS and the complainant have the right to submit additional written documentation to this office within fifteen (15) days of the date of this letter if they disagree with the findings of fact or conclusions reached in this Letter of Findings. The additional written documentation must not have been provided or otherwise available to this office during the complaint investigation and must be related to the issues identified and addressed in the Letter of

Findings. If additional information is provided, it will be reviewed and the MSDE will determine if a reconsideration of the conclusions is necessary.

Upon consideration of this additional documentation, this office may leave its findings and conclusions intact, set forth additional findings and conclusions, or enter new findings and conclusions. Pending the decision on a request for reconsideration, the school system must implement any corrective actions within the timelines reported in this Letter of Findings.

Questions regarding the findings, conclusions and corrective actions contained in this letter should be addressed to this office in writing. The complainant and the school system maintain the right to request mediation or to file a due process complaint, if they disagree with the identification, evaluation, placement, or provision of a Free Appropriate Public Education for the student, including issues subject to this State complaint investigation, consistent with the IDEA. The MSDE recommends that this Letter of Findings be included with any request for mediation or due process.

Sincerely,

Marcella E. Franczkowski, M.S.  
Assistant State Superintendent  
Division of Special Education/Early Intervention Services
