

Staffing Pattern Grid Instructions (RESIDENTIAL PROGRAMS ONLY)

A completed **Staffing Pattern Grid** to reflect a typical direct care staffing pattern for a 24-hour, 7-day week period must be submitted for each program requesting a rate. The **Staffing Pattern Grid** must be approved by the respective licensing agencies. Print and sign the documents for submission to your licensing agencies no later than **January 14, 2023**.

- Enter the Organization and Program name as shown on Form A of the budget workbook.
- Include direct child care workers, social workers, recreation staff, or other staff included in Form E-3 (Direct Child Services & Facility Support) of the Budget spreadsheet.
- Enter the clock hours for each shift as used for the program.

**For example: Employee 501 works Shift 1 8:00 am-4:00 pm
Employee 532 works Shift 2 3:00 pm-7:00 pm**

Select the tabs with the timeframe that best reflects the coverage needs for your program to compute the total hours that should reconcile with the hours budgeted on Form E-3.

- 52 weeks (July 2023-June 2024)
- 39 weeks (September 2023-June 2024)
- 13 weeks (July 2023-September 2024)

Contact the Rate Section to request the expanded staffing grid if there are special timeframe consideration beyond the weeks set with the three tabs.

A written narrative must be included with the Staffing Pattern Grid and submitted to your licensing agency to justify any staffing changes.
