

ELIGIBILITY FOR AUTISM WAIVER (AW) SERVICES

Children must meet technical, medical, and financial eligibility

- Have a current Individualized Education Program (IEP) classification of Autism and/or clinical diagnosis of Autism Spectrum Disorder (ASD) within the last 3 years by a qualified diagnostician
- Be a resident of Maryland
- Be age 1 through the end of the school semester when the child turns 21 years old
- Have an Individualized Family Service Plan (IFSP) or IEP with at least 15 hours per week of special education/related services
- Meet an institutional Level of Care for Intermediate Care Facilities for individuals with Intellectual Disabilities (ICF-IID) and choose to receive AW services as an alternative
- Be able to be served and safely maintained in the home and community through AW services
- Be able to be served and safely maintained in the home and community through AW services
- Meet financial eligibility for Medical Assistance; the child's monthly income may not exceed 300% of Supplemental Security Income (SSI) benefits and their countable assets may not exceed \$2,000
- Choose the AW as the waiver that best meets the child's needs if the child is enrolled in another Home and Community-Based Services Waiver, the Model Waiver or any other Section 1915c Medicaid Waiver program, as applicable

AUTISM WAIVER WAITLIST

Contact the Autism Waiver Helpline at 1-866- 417-3480 if interested in registering for the AW Waitlist

- Parents must provide the following information for the child:
 - Name
 - Date of birth
 - Address
 - County of residence
 - Contact information
- Parents must confirm a diagnosis of ASD
- Parents must confirm the child has an IFSP or IEP
- Confirm at least 15 hours of special education/related services per week on IEP
- Parents must ensure all demographic information is up to date and must contact the AW Helpline to report any changes
- Application for enrollment is based on chronological order from the time the child's name is placed on the Waitlist

APPLICATION PROCESS

The Maryland Department of Health (MDH) will send an application letter when there is a vacancy and the child may begin the AW application process to determine eligibility

- Contact the local education agency or the early intervention program to speak to the AW contact and begin the eligibility determination process
- Work with the child's assigned Service Coordinator to complete the financial eligibility application within 45 days from the date of application letter from MDH
- Contribute to the Level of Care assessment process that determines the child's medical eligibility
- Receive notification of eligibility from the State. If eligible, the letter will include a start date to begin AW services
- Attend a multidisciplinary team meeting to develop a Plan of Care
- Maintain eligibility by using at least one participant-focused AW service per month

AUTISM WAIVER SERVICES

Autism Waiver Services use the home and community environment as a learning experience

- **Intensive Individual Support Services (IISS):** One-on-one assistance based on the child’s need for interventions and support. Services assist children in acquiring, retaining, and improving self-help, socialization, communication, daily living, functional living, behavior management, and adaptive skills necessary to reside successfully at home.
- **Therapeutic Integration- Regular (TI) or Intensive (ITI):** A structured program available outside of school hours that provides therapeutic activities and expressive therapies specially needed for children and adolescents who have problems with socialization, isolation, hyperactivity, impulse control, and behavior.
- **Respite Care:** Short-term supervision and assistance with activities of daily living that are provided to children because of the absence or need for relief of those persons normally providing care.
- **Environmental Accessibility Adaptations (EAA):** Funding towards making physical adaptations to the home that are necessary to ensure the health, welfare, and safety of the individual in the home environment.
- **Family Consultation (FC):** Individualized consultation and training provided to a child’s family.
- **Adult Life Planning (ALP):** Family-centered and focused on educating and supporting the family in accessing adult community services on behalf of the participant.
- **Residential Habilitation- Regular or Intensive:** Community-based residential placement for children who cannot live at home because they require highly supervised and supportive environments with the goal of returning the child to the home.
