Evidence-Based Teaming Practices Webinar (approx. 1.5 hours) – temporarily unavailable

Dr. M’Lisa Shelden and Dr. Dathan Rush provide an overview of evidence-based teaming practices for administrators in early childhood programs. The use of natural and inclusive learning practices is emphasized as well as the use of coaching as an interactive style with parents, teachers, providers, and team members.

Understanding the Basics of Using Natural Learning Environment & Inclusive Practices Webinar (approx. 1.5 hours) – temporarily unavailable

Dr. M’Lisa Shelden and Dr. Dathan Rush examine the characteristics of practices using child interest, everyday activities and opportunities, and caregiver responsiveness in both home and classroom-based settings. Drs. Shelden and Rush highlight the use of coaching as a capacity-building strategy aligned with research in adult learning.
