

Administrative Review Summary

The Richard B. Russell National School Lunch Act, as amended by the Healthy Hunger-Free Kids Act of 2010 (HHFKA), requires a unified accountability system designed to ensure that participating Local Educational Agencies (LEAs) comply with National School Lunch Program (NSLP) and School Breakfast Program (SBP) requirements. The Act requires each LEA to receive an Administrative Review on a three-year cycle and that a summary of the review be made available to the public.
