TO: Members of the State Board of Education
FROM: Karen B. Salmon, Ph.D., Superintendent of Schools *KBS*
DATE: March 28, 2017
SUBJECT: Budget Information

PURPOSE:

This document is to review major budget realignment information for the reporting month of February 2017. No action is required on the adjustments; they are presented for informational purposes.

BACKGROUND/HISTORICAL PERSPECTIVE:

As a part of the monthly consent calendar, the State Board reviews and authorizes budget adjustments affecting the current fiscal year's appropriation. Some adjustments require State Board action; others are reflected for information purposes only.

Budget Amendments (State Board Action Items):

Budget Amendments are required whenever an increase is requested for the current budget appropriation at the budgetary program and appropriated fund level (i.e., General, Special, Federal or Reimbursable Funds). The following are types of adjustments that require State Board approval:

- Reconciling to grant awards received (Increases) – Special Fund and Federal Fund amounts included within the original appropriation are based upon estimated receipts. When the fiscal year begins and the actual grant or a more accurate estimated amount is higher, an adjustment is made to reflect the full amount.
- Carryover from prior fiscal year – Federal Fund carryover results from the federal fiscal year overlap of three months as compared to the State fiscal year, and from the Tydings Amendment, which allows some federal formula grants to be spent for an additional 12 months. These adjustments are required to make maximum use of the grants.
- Transfers between budgetary programs – The allocation of the funds between the budgetary units and between programs within the budgets are based upon original estimates available when the budget is prepared. During the fiscal year it may become necessary to adjust this allocation.
- Reconciling to the approved Indirect Cost rates – On occasion, the actual indirect cost rates received may be materially different from the rates used in preparation of the budget. In those cases, it may be necessary to reallocate the assessment against non-State funds.

- Reorganizations – Organizational changes that cross budgetary programs are reflected by a budget amendment.

Other Budget Adjustments (State Board Information Items):

The following types of adjustments are shown for information purposes only:

- Recognition and Subsequent Release of Withheld Allotments – Withheld Allotments are funds appropriated in an agency's budget that have been held back pending the resolution of one or more contingencies identified in the annual Budget Bill. The funds are not made available to the agency until the identified condition(s) have been met.
- Deficiency Appropriations – Once Deficiency Requests are approved by the General Assembly as part of the Budget Bill, the approval is shown for information purposes.
- Reconciling to grant awards received (Decreases) – The opposite of the adjustment type described above under Budget Amendments. These are decreases to the appropriation level in the agency budget to recognize lower than budgeted grant awards or Special Fund attainment.

The budget document has several sections:

- The cover memo indicates whether there are items requiring approval or information items.
- The Synopsis of Current Pending Items (if any) – On an item-by-item basis this explains and justifies any items presented for State Board approval. These items are identified as numbers (i.e., Item 1, Item 2, etc.).
- The Summary of Current Pending Items (if any) – This summary schedule reflects the amount by budgetary program of each of the approval items.
- The Synopsis of Information Items (if any) – On an item-by-item basis this explains and justifies any items presented for State Board information. These items are identified as letters (i.e., Item A, Item B, etc.).
- The Summary of Information Items (if any) – This summary schedule reflects the amount by budgetary program of each of the information items.
- The Budget Adjustment Detail – This schedule presents information regarding the overall budget status and the effects of the adjustments being presented in the current month. The schedule presents the budget by Budgetary Unit (i.e., Headquarters, Aid to Education, Funding for Educational Organizations, Children's Cabinet Interagency Fund and the Maryland Longitudinal Data System Center), by budgetary program and by appropriated fund. The columns reflect the following information:

- The first column reflects the program and fund titles.
- The second column, “Original Appropriation,” reflects the original appropriation level for the fiscal year.
- The next two columns, “Approved Adjustments,” reflect adjustments that have already been made to the budget. The “DBM” column reflects adjustments made to the official appropriation level. The “MSDE” column includes those adjustments as well as decreases that would not be reflected in the official appropriation.
- The following two columns entitled “Approved Appropriation” reflect the sum of the original appropriation and the approved adjustments for DBM and MSDE, respectively.
- The next two columns reflect pending budget amendments:
 - “Prior” shows pending amendments that have been before the State Board in an earlier month but have not yet been approved; and
 - “Current” shows the items being presented to the State Board for the review/approval period.
- The final column shows the Information Item adjustments.

ACTION:

No action is required. Please refer to the Synopsis of Current Information Items beginning on page 2 in the attachment for a detailed narrative concerning the adjustments.

***SYNOPSIS of
CURRENT INFORMATION ITEMS
For the Reporting Month of February 2017***

ITEM A

Pursuant to the Fiscal Year (FY) 2017 Budget Bill, General Fund appropriation in the amount of \$150,000 has been increased in the Headquarters and Aid to Education budgets to represent released withheld allotments as follows:

- **Juvenile Services Education Program in the Headquarters budget in the amount of \$50,000.** The budget committees approved the release of \$50,000 of the \$100,000 withheld allotment. General Funds in the amount of \$100,000 within the Juvenile Services Education Program (JSE) unit of the Maryland State Department of Education (MSDE) could not be expended until the Department of Juvenile Services (DJS) and JSE jointly submitted a report to the budget committees and certain performance data was submitted with the Fiscal 2018 budget request. A report was submitted as required in November 2016, which resulted in the release of \$50,000. It was determined that performance data was not submitted as required and the other \$50,000 of the withheld allotment was reverted to the General Fund.
- **Students with Disabilities Program in the Aid to Education budget in the amount of \$100,000.** The budget committees approved the release of the total withheld allotment. General Funds in the amount of \$100,000 for the Infants and Toddlers Program could not be expended until MSDE provided the budget committees with a report on data from local education agencies that specified all local, State, and federal funds, including transportation funds, spent for prekindergarten children with disabilities ages three through five in fiscal 2015 and 2016. This report also provided analysis on how funds were targeted. The report was submitted to the budget committees by the November 1, 2016 deadline.

ITEM B

A decrease to the Children's Cabinet Interagency Fund in the amount of \$650,000 was due to a decision of the Board of Public Works to reduce funding to the Local Management Board – Technical Assistance Program. MSDE is the fiscal agent for the Children's Cabinet Interagency Fund.
