State Superintendent of Schools

---

**TO:** Members of the State Board of Education  
**FROM:** Karen B. Salmon, Ph.D.  
**DATE:** April 27, 2021  
**SUBJECT:** 2021 Legislative Session in Review and Overview of the Blueprint for Maryland's Future

---

**PURPOSE:**

The purpose of this item is to provide a status update of primary and secondary education-related bills that passed during the 2021 Maryland General Assembly legislative session. Additionally, the State Board will receive an overview of the Blueprint for Maryland's Future.

**EXECUTIVE SUMMARY:**

The members of the State Board of Education will receive an update on significant legislation that passed during the 2021 legislative session. While the bills reviewed with the State Board at the April 27, 2021 meeting passed both houses of the General Assembly, it is not necessarily the final disposition of the bill pending final action by the Governor. The members will also receive an overview of the requirements for the Maryland State Department of Education (MSDE) and State Board of Education as it pertains to House Bill 1300 of 2020 – Blueprint for Maryland's Future.

**ACTION:**

This item is informational only. No action required.

**Summary of the 2021 Legislative Session  
State Board of Education Meeting - April 27, 2021**

**BILLS THAT PASSED:**

**House Bill 48/Senate Bill 515 - Criminal Procedure – Registered Sex Offenders – Entry Onto School Property**

- This bill restricts the ability of a student identified on the sex offender registry to enter onto school property.
- This bill requires the State Board to adopt guidelines and a model policy for the provision of educational services to students identified on the sex offender registry in the State of Maryland at locations not included on school property.
- County boards of education must develop and adopt a policy to provide educational services to these students.

**House Bill 205/Senate Bill 427 - Public Schools - Provision of Menstrual Hygiene Products**

- County boards shall install menstrual hygiene product dispensers in at least two restrooms in public middle and high schools and at least one restroom in public elementary schools by October 1, 2021.
- This bill requires the MSDE to reimburse each county board for the costs of purchasing and installing menstrual hygiene product dispensers in public schools by November 1, 2022.

**House Bill 258/Senate Bill 592 - State Child Welfare System - Reporting**

- This bill requires that beginning December 1, 2021, and each year thereafter, MSDE report to the General Assembly and the Department of Human Services on: the stability of school placements, the number of students with IEPs, the number of students with 504 plans, the number of students (disaggregated) who have been retained a grade, the number of high school graduates, drop out rates, truancy rates, absenteeism, suspension, expulsion, and school-based arrests.
- MSDE shall publish this report on its website within 30 days of its submission to the General Assembly, and does not affect any other reporting requirements of the Department.

-

**House Bill 373 - Education - Child Abuse and Sexual Misconduct Prevention - Hiring Emergent Employee**

- This bill authorizes the hiring of employees by a county board of education or nonpublic school for a period not to exceed 60 days under certain conditions.
- This bill authorizes a county board or nonpublic school to rescind a job offer, dismiss the employee, or hire the employee within the 60-day period regarding an emergent employee under certain circumstances.

#### **House Bill 394 - Public Schools - Fees for Summer School Courses - Prohibition**

- This bill prohibits local school systems from charging a fee for students enrolled in a summer school course if that course is required for graduation from high school, and the student has previously taken the course but did not successfully complete or receive credit for the course.

#### **House Bill 401/Senate Bill 438 - Pregnant and Parenting Students - Policies and Reporting**

- MSDE shall develop a model policy to support the educational and parenting goals and improve the outcomes of pregnant and parenting students. The model policy shall require each high school to designate a private lactation space in the school, with a refrigerator reasonably close to the space.
- The model policy developed by MSDE shall require one staff member to coordinate with pregnant and parenting students on resources to find safe and affordable child care, transportation services to and from school
- The Department shall provide technical assistance to county boards to establish their own policies within this legislation.

#### **House Bill 714/Senate Bill 300 - Special Education - Learning Continuity Plan - Requirement**

- Beginning October 1, 2021, an individualized education program shall include a learning continuity plan to implement during emergency conditions. This shall be developed at the beginning of the IEP process or during the next revision of the IEP. Within 10 days of the determination that the emergency conditions are in existence, the IEP team shall notify the parent or guardian and discuss implementation of the learning continuity plan.
- An individualized education program team that had an individualized education program that was in existence during the 2020–2021 school year fulfills the requirements in the bill if they took the following actions before October 1, 2021: reviewing the successes and failures of the individualized education program during the 2020–2021 school year with the parent or guardian of the child requiring the individualized education program; and amending the individualized education program based on the review.

#### **House Bill 716/Senate Bill 371 - Special Education - Individualized Education Programs - Educational Evaluations**

- A parent may request an independent evaluation at public expense if they disagree with a student's educational evaluation or if the parent submits a written request to the local school system for an educational evaluation and does not receive a response within 30 days or the request is approved by the school system but the evaluation meeting does not occur within 60 days or 90 days if the State is under a state of emergency.

### **House Bill 1322 - Primary and Secondary Education - School Personnel - Prohibition on Retaliation for Not Returning to In-Person Instruction and Work**

- This bill outlines that in the 2020-2021 school year, the Governor, State Board, State Superintendent, county superintendent, or county boards, may not discipline, suspend, terminate, or “otherwise retaliate” against a teacher, educational support professional, or any other professional school personnel if the individual:
  - choose not to return to the school building
  - has not received the full course of an FDA-approved vaccine
  - is at least 65 years old
  - has an underlying medical condition that the CDC identifies as a risk factor
- Further, during a state of emergency related to the COVID-19 pandemic, the State Board and county boards shall allow all of the previously mentioned educational staff to instruct or work remotely “to the extent practicable.”

### **House Bill 1365/Senate Bill 958 - Nonpublic Special Education Schools - State Contribution - Increase**

- The bill requires the Governor to include an appropriation for nonpublic special education placements in FY 2023 that includes a 4% increase in funding over the amount approved by MSDE in FY 2022 that shall be used exclusively for direct classroom positions, related services positions, and general support positions. The bill also requires an additional 2% increase over the amount approved by MSDE in FY 2022 for all other categories of expenditures.

### **House Bill 1372 - Blueprint for Maryland's Future - Revisions**

- This bill makes a significant number of technical corrections to the Blueprint for Maryland's Future, specifically surrounding applicable due dates and alteration of programmatic deadlines.
- The bill adds educational technology to the per pupil foundation amount, and requires reporting for local school systems on the categories of educational technology spending.
- The bill adds timeline requirements for the appointment of members to the Accountability and Implementation Board (AIB), and clarifies the plenary authority of the AIB.
- The bill establishes online standard requirements for virtual learning.
- The bill adds an additional item to the required leadership training that State Board members and the State Superintendent shall receive training on the Blueprint.
- The bill adds several requirements for county boards of education to use federal funding, wherever possible, to implement the Blueprint, establish a

summer school program, and provide tutoring and supplemental instruction to mitigate learning loss.

- The bill provides for the plenary authority of the AIB in matters pertaining to the Blueprint for Maryland's Future.

**Senate Bill 278/House Bill 34 - State Department of Education and Maryland Department of Health - Maryland School-Based Health Center Standards - Telehealth**

- MSDE and MDH shall authorize telehealth services to be provided at an established and approved school-based health center and may not require an application to be submitted for approval to provide such services.
- By July 1, 2021, MSDE and MDH shall review the school-based health center standards to conform to the requirements in the bill.

**Senate Bill 436/House Bill 597 - Child Care Centers - Teacher Qualifications**

- The bill requires that the State Board of Education adopt regulations to govern the licensing and operation of child care centers regarding the probationary employment qualifications for a six-month period for an individual applying to be a first-time child care teacher.
- If at the end of the six-month period the individual has not completed a required pre-service training, the child care center shall reassign or terminate the individual.

**Senate Bill 497 - Juvenile Services Education Board and Program - Establishment, Powers, Duties**

- This bill repeals provisions regarding the Juvenile Services Education Program within MSDE and establishes a Juvenile Services Education Board within the Department of Juvenile Services. The State Superintendent serves as a member of the Board.
- Beginning on July 1, 2022, the Board shall oversee and approve all educational services to juveniles who are in a residential facility, and the Department of Juvenile Services shall have the authority and responsibility for implementing juvenile services educational programs in the State.
- On July 1, 2022, all State personnel and contracted employees employed by MSDE in the JSE program shall transfer to the Department of Juvenile Services. All appropriations held by MSDE related to the JSE program shall be transferred to DJS.
- On or before December 1, 2021, MSDE and the Department of Juvenile Services shall submit a report detailing plans for the transition of juvenile services education programs to the newly-established Juvenile Services Education Program.

### **Senate Bill 548/House Bill 771 - Public Schools - Centers for Disease Control and Prevention Surveys - Revisions**

- In consultation with MDH, MSDE may omit up to one-third of questions from the Centers for Disease Control and Prevention Youth Risk Behavior Survey/Youth Tobacco Survey and shall establish procedures for its administration to public middle and high school students in the State.
- MSDE shall include at least five questions on adverse childhood experiences or positive childhood experiences.
- Beginning in FY2024, MSDE shall submit a State and county-level data summary and trends report to the Governor and General Assembly.

### **Senate Bill 664 - Education - Student Financial Aid - Reporting**

- Each county board of education shall develop an outreach plan to encourage and assist as many high school seniors as possible to complete and submit their Free Application for Federal Student Aid (FAFSA) or Maryland State Financial Aid Application (MSFAA) by the deadline for State financial aid eligibility.
- By October 1, 2022, and each year thereafter, each county board shall submit a copy of their outreach plan to MSDE, MHEC, and the General Assembly.
- It is the intent of the General Assembly that each State agency that interacts with high school students shall establish a process to encourage high school students when interacting with the agency to complete the FAFSA or MSFAA.
